

HOME SWEET! HOME

This elegant abode features plenty of space, the finest amenities, and outdoors as alluring as its interior

This luxurious Arlington estate, listed by Linda Magazzino/Ebby Halliday Realtors, is located in a premier gated community and offers modern design features that make it an entertainer's dream. But we're guessing you realized that just by looking at the photos.

The living area certainly provides ease of living with an alluring indoor-to-outdoor flow showcasing panoramic doors that fully open to a private landscaped backyard oasis with a large covered patio, an outdoor kitchen and living area, a pool and a pool cabana with fireplace.

The kitchen features quartz counters, a gas cooktop, double ovens and a large island. The home's quality is showcased throughout via travertine flooring, Canadian Hickory wood flooring, nest smoke detectors and thermostat, a wine closet, a reinforced storm room, new black windows, a slate roof and much more – notably, the private, landscaped, half-acre lot featuring water-smart native plants.
